

Friday Sermon

December 22, 2017
The Excellent Exemplar

- The Holy Prophet (saw) is the most excellent example for us all
- Allahs says in the Holy Quran regarding the Holy Prophet (saw) : “And we have sent thee not bus as a mercy for all people” (21:108)
- We cannot claim that we love the Holy Prophet (saw) while are actions are not following his teachings.
- The Promised Messiah (as) says: Even if an old woman asked the Holy Prophet (saw) to stand up he would keep standing until she allowed him to go. He would also perform the household chores. All this reflects his simplicity and frankness. He was tested in terms of patience, steadfastness, forgiveness, compassion, courage, generosity, and there is no moral excellence that was left out.
- Hadhrat Aisah (ra) states that he would offer 11 rakaat in Tahajjud and the duration of these was very long.
