The Essence of Mindful Prayers

- The purpose of Jalsa is to increase one's knowledge and strengthen the relationship with Allāh in a spiritual atmosphere.
- In addition to praying for yourself, pray for the progress of the entire Jama'at and for Muslims in general.
- Pray for the whole world that Allah may grant them wisdom and save them from calamities. The world desperately needs the prayers of Promised Messiah (as)
- While praying we should hold no grudge against anyone to get your prayers accepted. Also make your prayers with focus and determination.
- The Promised Messiah (as) said that one once a ship in a storm was saved due to the prayers of a godly person, and God revealed to him that the ship had been saved because of his prayers.
