

Friday Sermon

March 16, 2018

Brief Summary

- Hazur's Friday sermon was on following the footsteps of the companions of the Holy Prophet (saw).
- The Promised Messiah once stated that the companions of the Holy Prophet are a clear sign of his excellent character. Only such a person can truly value the Holy Prophet who values the companions. It is not possible that a person loves the Holy Prophet, but holds enmity towards the companions. This was a blessed Jama'at who never separated from the Holy Prophet did not shy away from even sacrificing their lives.
- The Promised Messiah has stated that I wish to see the blessed model of the companions in my Jama'at, that they give precedence to Allah. They did not give much significance to their wealth and their lives. The companions wanted to please Allah, even if they have to suffer many difficulties. They understood that the pleasure of God lies behind these trials and tribulations. The Quran is full of their praises. The characters of the companions are a sign of the truthfulness of the Holy Prophet.
